——————— declares the course proposed by the Honourable Member for Sligo (who had risen in his place, and asked leave to move the adjournment of the House, for the purpose of discussing the course of action pursued by Mr. Speaker, on a particular occasion) was out of order, on the ground that the conduct of the Speaker could only be impugned upon a direct appeal to the House, by a substantive Motion, open to Amendment, on which a definite issue could be raised and the judgment of the House obtained. He therefore took upon himself not to allow the Motion of the Honourable Member to be submitted to the House, 78.
